

## Carl Moyer Required Deadlines for Fiscal Year 2007-2008 (Year 10)

Date	Deliverable
November 28, 2007	Application for Year 10 funds, Year 9 status report, and Policies and Procedures Manual due.
April 30, 2008	Deadline to submit the "Grant Award and Authorization" form to the ARB confirming acceptance of funds. Failure to return the signed form to the ARB by this date will impact your district's ability to receive its Year 10 funding allocation.
June 30, 2008	ARB must encumber all Year 10 funds to the districts by fully executed Grant Award.
November 15, 2008 (or at the time of the Year 11 application)	Districts submit Year 10 status report*. The report describes the status of obligating funds. It includes all authorizing resolutions, contracts, and other documents.
June 30, 2009	Districts must have obligated Year 10 funds to eligible projects with fully executed contracts.
August 30, 2009	Districts must submit Year 10 annual report*. The reports describe the district's Carl Moyer Program and reports the amount of funds obligated under contract, with project descriptions, emission reductions, and cost-effectiveness. Copies of contracts must be submitted to ARB (see pages II-19 thru II-20 of the 2005 Carl Moyer Program Guidelines for a full description).
June 30, 2010	Districts must have expended all Year 10 funds. Any funds that are not expended by June 30th may be reallocated to other districts.
August 30, 2010	Districts submit Year 10 final report*. The report includes the final expenditures for all funded projects. Copies of invoices must be submitted to ARB (please review pages II-20 thru II-21 of the 2005 Carl Moyer Program Guidelines for full description).
